

2010 Compensation Survey Available

The 2010 Compensation Survey has been completed and distributed to all participants. Non-participating members may purchase the report directly from Compensation Consulting Services for \$3,500. Participating companies had the advantage of a \$2,000 discount this year, so you may wish to budget for the 2011 survey and make tentative plans to participate. The majority of participants find the tool so helpful that they participate on an annual basis. Take advantage of this opportunity to obtain compensation data specific to the fidelity and surety lines of business. To order this year's report, please contact Allan Fitzgerald: AFitzgerald@ccs-consultants.com.
